I know this program was worth every penny ... the program deeply prepared me for this very complex exam. Now I just have to go execute these methods. Thanks, Kaplan.

# Why is intense prep vital for the LSAT?

Competition for law school is more and more intense—only 2/3 of people who apply get in. So getting the best LSAT prep you can is critical for many reasons, especially because:

- 1** 70% of law school admissions officers say your LSAT score is the most important factor in the admissions process.<sup>†</sup>
- 2** Small score improvements can result in huge gains over other applicants. One additional correct answer can advance you ahead of 7,000 other test-takers.
- 3** High LSAT scores (in strong applications) can result in steep tuition discounts.

## Why Kaplan?

First, more people get into law school with a Kaplan course than with all other major courses combined.<sup>‡</sup> And since your LSAT score is so important, trust a leader with three unique benefits over the competition:

### ✓ **The Most Personalized Prep Available**

With a 7:1 student-teacher ratio, our hand-selected faculty will lead you through our arsenal of every released LSAT question—over 6,000. We'll target your greatest areas of opportunity with our exclusive Smart Reports™ score analysis system and give you personalized recommendations on what to do next.

### ✓ **Unmatched Expertise**

Our Summer Intensive Program Faculty features some of Kaplan's highest rated instructors—all J.D.s with 45 years combined LSAT teaching experience and 95th percentile+ LSAT scores. Couple that with Kaplan's exclusive strategies, and you'll experience expertise that is truly unmatched.

### ✓ **Guaranteed Results—Score Higher or Your Money Back\*\***

Kaplan offers the industry-leading Higher Score Guarantee. Not ready to take the test? Study again with us for free. Not satisfied with your score? Study again with us for free. And if your score does not improve, study again with us for free, or, receive your money back.

Every member of the faculty was wonderful! They were so willing to help answer any questions, were always positive and motivational, and very organized with every lesson plan. The faculty went above and beyond what I expected.
