OMSAS - Ontario Medical School Application Service
519-823-1940

email: omsas@netserv.ouac.on.ca
Web: http://www.ouac.on.ca
Ontario Medical Schools require you to apply through the OMSAS. On-line application creation deadline is September 15. Registration deadline is October 15. The fees are \$200 plus \$75 per school.

Interviews

All schools require interviews for qualified applicants. Most schools will have one interview with a team of 3 or more interviewers. Interview times can be as early as November but most will be conducted in the spring.

University Course Requirements

Most schools require a minimum of three years of study and will have specific course requirements heavily focused on the sciences. Generally you will be required to have a biology, biochemistry, chemistry, organic chemistry and humanity course. Check with the schools for specifics.

Application Fees

For non-Ontario medical schools most fees will vary from \$50 - \$100. There will be additional fees for out-of-province applications. Typically expect between \$25 - \$50 in extra fees.

MCAT

Most schools require the applicant to write the MCAT the year prior. Most schools will consider the latest exam scores if written more than once. Applicant will need permission to write the exam more than three times. The MCAT is written in April and August of each year.

Warning

Use this information as a simple guide only. Contact the schools for their official requirements.
