

GMAT Verbal Workbook Updates

Please note the following corrections and updates for the *GMAT Verbal Workbook*:

Book Pages	Corrections
page 28, question 2 Note: Already corrected in second printing	The underlined portion of the question should be “ is estimated as”
page 185, question 2	Answer choice D should read as follows: “The proposed plant in Country X will generate profits in spite of its present war. ”
page 205, question 10	The question is incomplete. It should read as follows: “Cultural anthropologists who have been observing and interviewing customers in retail stores have announced a definitive theory to explain the effect that in-store product displays have on consumer purchasing behavior.”
page 226, question 16 / page 231, question 16	In both cases, the answer to question 16 should be D .
page 283 Note: Already corrected in second printing	In the scoring example: The Overall Score for the “Analysis of an Issue” essay should be 4.5 , not 4.75. The Final AWA score for the “Analysis of an Argument” essay should be 4.25 (rounded up to 4.3) , not 4.4.
page 289	The GMAT website containing all the possible AWA topics has been updated: www.gmac.com/Gmat/the_test/analytical_writing.shtml
