

Update: Kaplan's *NCLEX-RN Exam, 2004–2005 edition*

The National Council of State Boards of Nursing is now registering applicants to take the NCLEX-RN exam in Hong Kong, Seoul, and London. For more information, see ncsbn.org.

Please note the following correction, which has been fixed in later editions:

Page 150	Corrections
page 150, Chapter 11	Text should read, "Remember, the / key is used for multiplication ", not division.
