DELHI HIGH COURT BARS IAPEN FROM USING KAPLAN NAME

"The Chopras" is the Only Legal Kaplan Provider in India

NEW YORK, NY On the 24th of May 2007, the Delhi High Court issued an order enjoining IAPEN and its affiliates from using the KAPLAN name, mark or brand in India including in advertisements, classes, or in connection with any other services. The injunction also prohibits IAPEN from committing any acts that would confuse, deceive, or manipulate consumers in India by using the KAPLAN name or Kaplan products or services, including the unauthorized use of the domain name www.kaplanindia.com.

As Kaplan has repeatedly announced since October 6, 2006, *"The Chopras"* is the ONLY legal provider of Kaplan Test Prep and Admissions materials in India, including Kaplan's materials and programs that help students study for the USMLE, GMAT, GRE, SAT, NCLEX and NBDE standardized tests. The products and services offered through *"The Chopras"* mirror those services delivered in the United States with the latest books, library materials, and online components, including the new USMLE Personalized Learning System (PLS). Further, all medical students who wish to obtain an I-20 through Kaplan in the US will be administered directly through *"The Chopras"*. Any direct I-20 student inquiries to Kaplan offices in the United States will be immediately reverted back to *"The Chopras"* for I-20 application submission. These efforts will ensure that students in India that choose to prepare with Kaplan programs are only delivered by *"The Chopras"*, currently Kaplan's sole Certified Education Provider in India for these courses.

Students are, again, advised that IAPEN and all related organizations are no longer Kaplan Certified Education Providers and are using unauthorized and outdated materials. Kaplan's agreement with IAPEN expired on October 6, 2006, and any enrollments with IAPEN after that date are not authorized by Kaplan. Students who enroll with IAPEN do so at their own risk and are not receiving any of the updated content or essential online components, and potentially risk visa denial with the U.S. consulate offices.

Students interested in authorized Kaplan programs in India should contact *"The Chopras"* online at www.thechopras.com, via email (theteam@chopraconsultants.com), or by telephone (011 - 41608466, 26280600, 26414164/5, 26478940). To obtain a listing of *"The Chopras"* center locations in India, students may visit Kaplan's website at www.kaptest.com/india.
